**Have you always wanted
to go through Shas?
Do you find Daf Yomi too rushed
for you to really “get it”?**

**The Gemara shiur you’ve been
waiting for is about to begin!**

**Starting Sunday 5 Shevat / January 25th
R’ Joel Padowitz
will begin a daily shiur at BTYA
to cover shas, one sugya at a time.**

Starting with Berachos and covering about one amud per day, every phrase and logical step will be explained thoroughly in clear English.

Emphasis will be on understanding the Gemara text itself (according to Rashi) - and not on mefarshim.

Shiur will be accompanied by a synopsis of halacha l’maase and peppered with interesting and relevant scientific, historic, and linguistic background.

Rabbi Joel Padowitz, MBA, CFA brings a refreshing approach to his shiurim that combines his years of experience as a maggid shiur and outreach rabbi with his background as a Harvard-educated Wall Street CEO and former winner of the US National Science Olympiad.
