Rabbi Moshe Averick

**The Origin of Life:
Clear Scientific Evidence of a**

Creator

A presentation based on his upcoming book: *Nonsense of a High Order: The Confused World of Modern Atheism**

**Wednesday June 8th, 7:45pm
@ BTYA**

"An important book which pulls the rug out from under atheistic philosophies and will strengthen every readers belief in the Creator"

Rav Aharon Feldman, Rosh Hayeshiva, Ner Yisroel, Baltimore

"Uncommonly literate, trenchant and entertaining...Rabbi Averick has done a stellar job researching the field...revealing the positions of leading exponents of atheism in all their preposterous and specious glory...an important Jewish work...of signal utility to Rabbis, Kiruv Professionals, and Torah Jews...is by far one of the best things I have read in a long time."

Rav Michel Twerski, Milwaukee, WI.

"I would strongly recommend that every English speaking ben-Torah find the time to read the book..."

Rav Yitchak Berkowitz, Rosh Kollel, Jerusalem Kollel

With remorseless logic and a blistering prose style, he shows that it is those without faith who believe a dozen impossible things before breakfast. This book is merciless, profound and laugh out-loud funny. If the Almighty wanted an effective PR man, he could do no better than hire Rabbi Averick."

Melanie Phillips, British journalist and best-selling author of Londonistan
