Reports from the Va'ad

The solar panels are up and operating, BH. We want to give one more thanks to the anonymous benefactor who loaned the funds needed for this project with the brocha of ישלם שכרם, and all the brochos for those who are mezakeh the tzibbur. Special thanks, too, to Rabbi Padowitz for leading the project, Mrs. Zweiter for dotting all the Is and crossing the Ts, and to the rest of the va'ad, and the lawyers for all their assistance.

On the topic of lighting, we are investigating an option to replace the main lights in the Beis Medrash, with much more efficient LED lights. Thank you to the anonymous project leader and others for this effort.

Seeking a volunteer

The fans, and the bookshelves in the Beis Medrash accumulate dust, and it would be nice if someone/s could take responsibility for keeping them clean. The bookshelves are really simple, just dust them with a cloth, every few weeks. For the fans, be in touch with Dr. Stern, as he's been doing this for years!

Improvement in the Ezras Nashim

We've replaced the curtain part of the mechitzah with a very nice and light curtain. This one won't fall down, wrinkle, or get disheveled, BE"H. Thank you very much to the Pfeffer family for donating this improvement that has been waiting a very, very long time.

It's Bank HaPoalim Loan Time Again

For those of you who secured loans at Bank HaPoalim for the shul building, keep an eye out for bank statements. The office needs them.

If you have access to ONLINE Banking with Bank HaPoalim, please let the office or Aryeh Sonnenberg know. That could really help us, too.

Complete the Trio

Two important pieces of our Beis Medrash are "missing:"

- **The Amud**, from where all of our tefillos are led (can also serve as a respectful podium for the Rav's drashos).
- **The Shulchan** for Krias HaTorah.

The addition of these two pieces, that would match the beautiful Samson Aron Kodesh, would be a very *kavodiche* step up for our Beis Medrash.

If you have an interest in dedicating either, or both, of these, contact Aryeh Sonnenberg at info2@btia.org or 054-499-1733.
