Fundraising initiative

BH the shul had been doing well financially over the last several years without the need for extra member support because of the steady income provided by the hall. Now with the incoming caterers there is a financial gap between when the old ones left and the new ones began. I am asking you to help fill in this gap to help pay for electricity, water, salaries and repayment of loans to the members who helped us in the past. We will be starting an associate membership drive shortly reaching out to the many individuals who use our shul on a regular basis but are primarily members of other kehillas.

Please help us by generously donating to the kehilla. Consider the following opportunity. I personally request that every member purchase or ask your family to purchase at least one leaf to honor or memorialize a loved one. Your effort will show me and the board that you care about the success of the kehilla and appreciate the work we do keeping the shul afloat. Details as follows:

Leaf Drive!

It has been a while since we had our last active leaf campaign. If you have lost a loved one who has not been memorialized on our Etz Chaim plaque in the shul lobby, please consider putting up their names at this time. A leaf or stone is meaningful way to bring zchus to their neshama with the added benefit of reminding your children of their roots every time they come to daven or learn in the shul. Please consider asking your parents or relatives if they would sponsor a leaf.

The Etz Chaim is not only there to remember loved ones. For expressing Hakoras HaTov, or marking a significant milestone, the shul's Etz Chaim is the most affordable way to make it last.

- Small Leaf \$180
- Stone \$1800

With many projects going on in the shul we need your support please help us while you help yourself!
