A Message from the Rav and the President

Moraiy veRabosaiy (and Wives):

Unbeknownst to many of you, the Shul has (quietly) joined the world-wide Daf Shavua Program. This program, as its name implies, covers a daf a week, with review built in, and the time to go into the daf with as much depth as one has time for (go to dafaweek.org to learn about this amazing program, its benefits, the participants and the mind-blowing resources available there).

The program is currently learning Beitzah daf 38 (yes, we started around 38 weeks ago), and will shortly be *mesayem* the *massechta*. (Massechess Rosh HaShana starts the week of 22 Tamuz—July 16—Parshas Mattos-Mass'ei)

The Shul's participation is spearheaded and led by R' David Leichter, who says the shiur two nights a week.

THE SHUL will be celebrating the siyum at a gala (*milchike siyum motzei* 17 Tamuz, downstairs in Ulam Shabsai). EVERYONE IS INVITED TO COME BREAK THE FAST THROUGH THIS SE'UDAS MITZVAH (there will be a place for women, as we are certainly hoping that at the least the wives of the participants will be able to be at the siyum).

At the same time, you may want to consider joining the program, speaking to R' David L or the other participants, or visiting the website dafaweek.org

At the same time, I would like to ask EVERYONE IN THE SHUL to consider learning this daf-a-week, in addition to their other learning programs. You can learn it at the level you choose, BUT IMAGINE the power of the entire Shul learning the same daf-a-week; and at that pace, it is something נפש שוה לכל נפש.

The next few *Massechtos*—and years—will be in *Mo'ed*. A doable pace, a relatively easier *leemud*—having ready resources throughout the Shul. The Shul coming together collectively in this one-daf-a-week *limud*.

What do you say?

(And in any event, see you at the *siyum* and *seudas mitzvah*, the night following 17 Tamuz, after Ma'ariv)

Vasikin News

The Gemorah in Shabbos (63a) states that whosoever fulfills a *Mitzvah k'ma'marah* (in its ideal way) even if Hashem had enacted a **decree it will be torn up!** The BTYA Vasikin Minyon enables you to perform the mitzvah of *davening* each morning in the ideal way. Join us any day at about 5:26 this week. On Shabbos we start just after five, and followed two hours later by a Kiddush, this week sponsored by the Seltzers for a *refuah shelaymah* for **Leah Yehudis bas Raizel (Leslie Leventhal)**, featuring a world-famous Weismandl Cholent.

Eruv Field Trip

The Mishna Berura shiur has finished learning the Halachos of *Eruv Chatzeros*, and is now beginning the Halachos of *Eruv Techumin*. As such, there will be two **field trips**, that anyone from BTYA can join.

This Friday night (June 30th) at 10:00pm, an **eruv Techumin** will have been placed, and the shiur will be walking outside of the city limits, down route 10 towards Beitar.

Who ever would like to join is welcome, however, please make sure that you are not carrying anything in your pockets (as there is no *eruv*), and that you wear a yellow reflective vest, for safety. The walking trip will be about 3.5km each way, and at the end point (route 10), there will be food and Divrei Torah.

Next Friday, (July 7th) from 12:30-2:00pm, there will be a tour of the *eruv* in our community, focusing on the differences between the Beit Shemesh Rabbanut *eruv* and Rav Perlstein's *eruv*.

Last but not least, If anyone has an interest in being involved with the Mehadrin *eruv*, there is a great need to improve the "Sechirus" (Renting access from non-Jews and non observant Jews) aspect of the *eruv*, and they are looking to for someone to manage and upkeep the *eruv*.

Please contact either Rav Meyer Maryles or Shmuel Katz, if you want to be involved in making your community *eruv* more *Mehudar*.

Women's Trip Summary

Two Sundays ago, ladies of BTYA, together with ladies from the greater RBS and BS communities, traveled up North to daven at kivrei tzaddikim for the *refuah shleima* of Moshe ben Sarah Leah and Yeshaya Shalom ben Malka Gittel, together with all cholim of our communities. In addition, each lady davened, we are sure, for their personal and family's needs.

Led by Rebbetzin Shoshi Nissenbaum, and joined by Rebbetzin Malinowitz, they davened at the kvarim of Chavakuk HaNavi, Rabbi Shimon Bar Yochai, Rabbi Yonaton ben Uziel, HaARI HaKodesh, Rabbi Shlomo HaLevi Alkabetz, and Rabbeinu Bachya ben Yoseph ibn Pequdah (the Chovos HaLevovos), among others.

On the bus, Rebbetzin Nissenbaum gave background on each of the tzaddikim, which greatly enriched the davening. All ladies returned uplifted, after pouring out their heart-felt tefillos at the kvarim of so many of Klal Yisroel's holy sages.

May their many prayers be answered for the (revealed) good, and may we merit to see the complete recovery of Moshe ben Sarah Leah and Yeshaya Shalom ben Malka Gittel soon.

Many thanks to BTYA for sponsoring the bus, and to Shari Gherman for organizing all the details.

Leaf Drive! Please help us raise much needed funds

It has been a while since we had our last active leaf campaign. If you have lost a loved one who has not been memorialized on our Etz Chaim plaque in the shul lobby, please consider putting up their names at this time. A leaf or stone is meaningful way to bring *zechus* to their neshama with the added benefit of reminding your children of their roots every time they come to daven or learn in the shul. Please consider asking your parents or relatives if they would sponsor a leaf.

The Etz Chaim is not only there to remember loved ones. For expressing Hakoras HaTov, or marking a significant milestone, the shul's Etz Chaim is the most affordable way to make it last.

Small Leaf \$180

Stone \$1800

With many projects going on in the shul we need your support please help us while you help yourself!
