**If You are Married,
You Must Know This!**

- If You become **Unconscious...**
Who Will Pay Your Rent?
- If You get into an **Accident...**
Who Will Take Care of Your Kids?
- If You need **Medical Care...**
Your Spouse **MAY NOT** be Able to Approve That!

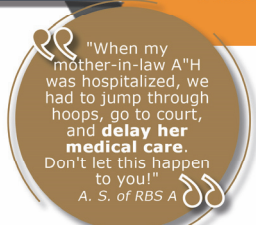

By default, the Israeli courts may decide, **and their decisions may not be what you had wanted.** Learn about this legal way to let YOU decide who and how your affairs are handled when you cannot do so yourself. Once it's necessary, it's too late!

It is imperative for every couple (yes, even us young ones) to learn how to take these decisions into your hands before, Chas VeShalom, they are necessary.

This lecture is relevant for every married couple, regardless of your age, as well as for older people who live on their own. You owe this to yourself, your family, & your friends.
