**Shabbos Project Feedback**

Here is just a small sample of the incredible feedback we received from our guests after The Shabbos Project program at BTYA (more to be emailed, IY'H):

**Gabi from South Africa:** It was amazing to experience a whole shabbos at a host family. Seeing the amazing vibe in the home and feeling inspired. I just felt so comfortable in that environment. The whole Shabbat afternoon was an amazing experience. I loved the Seudah shlishit and singing at havdallah! Very well run!

**Hannah from NY:** "The Shabbos Project Shabbaton was amazing! Two highlights were the shul service on Friday evening and the musical Havdallah. I want to try to keep the mitzvah of Shabbos in a better way, and I think I now have a stronger image of the Shabbos I want to make when I have my own husband and children due to the inspiration and conversations we had this past Shabbos. The host families were wonderful, and I really enjoyed spending Shabbos in Ramat Beit Shemesh!

**Natalie from South Carolina:** The Shabbos Project was such a great experience, and it was truly inspiring to see so many people from all kinds of backgrounds excited about keeping Shabbos. Two of my highlights were (1) walking through the neighborhood and seeing the beautiful views and parks of RBS, and (2) the musical Havdallah. This Shabbos really showed me that the Jewish people are truly one nation. The family that hosted us for sleeping and lunch went above and beyond!

**Sarah G from Texas:** The discussion for the women's oneg with Rabbi Bryks on Friday evening was very interesting. The stories he told were also quite eye opening! The singing of havdalah, with the addition of music, was special. I loved seeing all those that had been keeping Shabbos their whole lives or those who were keeping it for the first time come together and sing songs. I was very impressed with the community and understand why it is so special.

**Devorah from NY:** Very fun. Great speakers. Excellent walking distances. Good planning.

**Guy from Aish HaTorah:** I really enjoyed being able to meet multiple families and the fact that they had the oneg and free time activities set up. It was a great experience and the families I was set up with were very insightful and I did learn much from them.

**Havdalah with The Shabbos Project**

Now that they have thanked everyone and their mother, it is our turn to give a big *yasher koach* to Rabbi Tully and Hindy Bryks for all their efforts in making The Shabbos Project meaningful and inspiring for our guests, hosts and community alike.
