

A Message from The Rav

Moraiy VeRabosaiy and Ladies of BTYA:

It is no secret that I am suffering from a stubborn wound that is taking its time to heal. The actual problem, though, is BH not a physical condition (e.g,threat of infection or spreading,chas veshalom)—rather, the pain associated with the wound. And so I toggle between pain and being doped up, with snatches of sleep in there somewhere. BH I have been able to answer all your shay-los to me, whether by e-mail or by phone.

This went on for the duration of Pesach.

It is probably best if I not come to RBS for this Shabbos. Enjoy your shlissel challah, everyone.

I am satisfied with the care I am getting—when HKBH wants this to end,it will. Not one second later.

The gezeirah of the bris bein habesarim foretold 3 shela-vim in the shibud in Mitzrayim.
