# Hashgachos Acceptable for BTYA Member S'machos

If you don't recognize the following Israeli Hechsheirim, see the RBS/BS Kashrus Guide...

The following is a list of acceptable *hashgachos* for Shul kiddushim and events. In other words, only ingredients with these *hashgachos* may be used. The list was compiled in the interest of insuring a common standard for Shul events, appealing to the widest possible spectrum of people, yet not being overly restrictive. These guidelines apply to a Kiddush or any event made for the Shul at one's home, as well.

## Israeli Hashgachos:

- Badatz Eidah haChareidis
- Mehadrin Rabbanut OF YERUSHALAYIM
- Rav Rubin
- Rav Landau
- Belz
- Agudas Yisrael
- Rav Machpud
- Neve Zion
- Chug Chassam Sofer (both)

## American Hashgachos (Pareve items only)

- OU
- OK
- Chof-K
- Hisachdus HoRabonim
- Rav Weismandel
- Star-K

For Non-Pareve items, items from other countries, or any other *hashgocho*, you must consult HoRav Malinowitz.

## ***Shabbos Tefilla in Chevron (continued)***

(continued from page 3)

As R. Simcha Hochbaum gave us a tour and filled us in on some of the events that have taken place in Chevron both in the times of *לדוד המלך* to our present history it occurred to me that the residents of Chevron are doing in our time what our forefathers and kings did in theirs, and that is to make a stand for H-shem.

We also have to understand what *מגן אברהם* really means. If you have *אמונה ובטחון* you will understand that we do not need the approval of any other nation, only H-shem's approval. This trip has taught me that what I have always believed in my heart is shared by many others and I hope we can effect a change for the better in Chevron and everywhere that we are separated from our Mesora.

**Eiruv Tavshilin**

We have the rare opportunity to perform עירוב תבשילין this Wednesday, ערב ראש השנה due to the "3-day Yom Tov."

The Rav will be reviewing basic halachos of the Eiruv in the learning break at the second minyan. If you have any questions about the procedure, contact the Rav.

**Rosh Hashana Kids Groups**

As we did last year, we are again planning to have groups in the simchah hall, for younger children ages 2-8, during Rosh Hashanah davening.

In order to have the groups we need girls 10 and older to volunteer some time as group leaders. If your daughter can help, please have them call, and give the details of how much time and what age they want, to Yael Shira or Shifra Gherman at 992 4533.

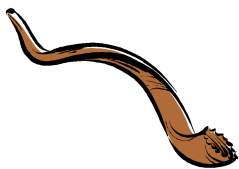

You can also email Shulie and Eliyahu Gherman at Eliyashu@gmail.com.

We also need games and toys. Drop them by the Ghermans at Nachal Tamar 6. Please label them, and make sure they are appropriate for Yom Tov play.

**If there is not a sufficient response we will not be able to conduct the groups.**

**Abbreviated Rosh Hashana Schedule**

The times, listed to the right, for Rosh Hashana are being announced now to help you plan your schedule.

A more detailed schedule will be published next week before Rosh Hashana.

**Shabbos Chevron Wrap-Up**

Here are reviews of שבת תפילה to inspire you:

1. Erev Shabbos in Mitzpe Avichai in the presence of true builders of Eretz Yisrael and unshaking faith in Hashem...Mincha on the Seventh Step outside the Me'oras Hamachpela...Kabbolos Shabbos that lifted you to the stars...ruach, divrei torah and the delicious taste of Shabbos at every seudah...davening by the kivrei Avos, connecting to the source of it all...hearing the poignant and moving words of amazing Jews...literally walking in the footsteps of our forefathers and mothers...every need taken care of and considered... uplifted in so many ways by Reb Simcha Hochbaum... led and inspired in every way by Rav Malinowitz... BTYA Shabbos in Chevron - what life to a Shabbos, what a Shabbos of a lifetime.

2. An Oleh Chadash Chevron Perspective

I can describe this Shabbos in 2 words, Inspiring and Realistic.

On Friday afternoon as we visited an "illegal" settlement in our own land. I was amazed at the strength that this משפחה has and the dedication even with everything around them bulldozed down to have an Aron Hakodesh as the mainstay of their settlement (at least they didn't have 2 as the old joke goes!). As we came into חברון we davened on the outside of the Me'ora. It struck me as sad that as Jews flock back to our ancient and current homeland that we are still excluded from our own Mesora by our own government and the rest of the world.

We would like to invite all **Olim** and **newcomers** (and anyone else who might want) to join our Kehillah on Shabbos Nitzavim-VaYeileich (Sept. 4th) for our annual "**Meet and Greet**" Shabbos, geared towards welcoming and getting to know the recent Olim and newcomers to Ramat Beit Shemesh.

All events will take place at the Shul.

We look forward to seeing you then and sharing lots of Divrei Torah, singing, and ru'ach!!!

## The RBS/BS Kashrus Project

BTYA was זוכה this week to kick-off a very positive community benefit in the form of R' Yechiel Spira's Kashrus review.

You can download the lecture from the "RBS/BS Kashrus" link at [www.btya.org](http://www.btya.org).

You can, and should, purchase the RBS/BS Kashrus Guide from the Shul office, during office hours, at Jo's Club (women only). You can also purchase a PDF version at the link above.

A big יישר כח to the following people who made the event and the book sale such a Kiddush Hashem:

- Meir Arnold, Donny Fein, Philip Braude & Howie Goldstein
- Mrs. Michelle Cohen, Mrs. Yael Kagan, Mrs. Tamar Loring, and Ms. Tiki Sonnenberg

It goes without saying, that this project would never had started, or taken on the sincerity that it has without the guidance, devotion to the K'lal, and the perseverance of the Rav, Sh'lita.
