**Great News!**

With **סייעתא דשמיא**, much of it channeled through a lot of work from some very dedicated people, last year, BTYA covered its operating budget as well as the yearly building loan payments **FOR THE FIRST TIME** without having to borrow any money!

Now is an appropriate time to give HaKoras HaTov to **Shlomo Scholnick**, our treasurer, to **Mrs. Kagan**, the office administrator, and to the entire **Shul board** for their parts in this endeavor.

**Now, the Next Step....**

We've received an additional, generous grant from Mr. Storfer (the son of R' Yonah Avraham Z"l) to finish the "essential parts" of the building (ceilings, bathrooms, lights, Rav's office, and more).

This is a **MATCHING GRANT**, which means that we need to do our share to make this work. We need to raise about \$50,000 to maximize the grant.

I have taken on the leadership of this effort, and I will need your help and cooperation. I do not expect to be asking the members for money, but in the next few weeks, I will be asking you to help me in many ways. Thank you for partnering with me in this endeavor!
