Hakoras HaTov

Rav Malinowitz feels that in appreciation of R' Yechiel Spira's arranging the **wonderfully informative** Kashrus Lecture Series (a service he performed gratis; he arranged for the speakers to speak gratis as well), it would be appropriate and appreciated to make a **substantial donation** to his JKN (Jerusalem Kosher News) Website, www.jerusalemkoshernews.com, which informs and educates the public with constant updates in the world of kashrus.

Please contact the Rav by e-mail or phone to make a pledge. The pledges will all be transferred as one lump sum to JKN. Details for payment will be announced later. Thank you.

Last lecture this coming Monday nite by Rav Mordechai Kuber, general kashrus expert, headed the OU here for many years.

Purim Kotton Notes

The Rav will, iyh, be speaking between Kabbalas Shabbos and Maariv on the subject of Purim Kotton, and elaborating and continuing at the Oneg.

עונג שבת

The BTYA Leil Shabbos oneg will be taking place this week from 8:30-10.30 PM at the home of Dr. Ari and Rivka Stern, Nachal Refaim 32A.

Remember, it is Purim Kotton (sort of--Shushan Purim Kotton, Motzei Purim Kotton), and you all know what happens to Dr. Stern when anything associated with Purim occurs--so come prepared for ANYTHING!!!!

As always there will also be nosh, chulent, drink and, iyh, singing as befits this momentous occasion (the oneg being in Ari's house).

Acoustical Update

We have just received the report from our acoustical engineer.

Now, we will chose a kablán. Together with the kablán, we have our own "mefakeach" who will ensure that the work is up to spec.

In addition to the actual acoustic ceiling work, there are several other areas that we are working on, both in the Beis Medrash and in the Ezras Nashim.

We have allocated the beginning of Nissan to do the ceiling work. This will allow the Beis Medrash learning to be least affected by the work.

This project is moving forward thanks to the generosity of all of you who have taken part in this project, with your ceiling tile and light pledges, together with Mr. Storfer for his matching challenge/contribution.

We look forward to sharing more progress reports as they are available.

The Nach shiur this week will be learning the end of the story of Eliyohu at Har HaCarmel - which happens to be the seldom-read "official" haftara of **כי תשא**! Come and learn about the thrilling finale! 7:25 שבת morning.

"Shalach Manos" Project

Purim is quickly approaching!

The women at Beis Tefillah Yonah Avraham will make sending 'Mishloach Manos' packages much easier at this busy time of year.

And most importantly help our shul raise significant funds for shul events and projects which are benefiting us all.

Look for the BTYA 'Mishloach Manos' instructions and order forms in the mail or download a copy from the BTYA website. The links can be found on the right side of the home page of <http://btya.org> Payment can be made through Yael Kagan at the BTYA office. Forms will only be processed upon payment.

Order deadline is Sunday, February 27th! Don't miss out!

Volunteers are also needed to help with packing the Mishloach Manos on Mar 8. If you can help out for even part of the time, please call Ayelet Lefkowitz at 02-999-5144 or Sarit Rosenblum at 995-1107.

Thanks

A big Yasher Koach to Avraham and Sara Manricks, for their generous offer to convert their backyard into a "theater" for the Purim Kotton Melava Malka.
