**Rabbi's Discretionary Fund**

With tremendous gratitude to Hashem and to the entire community for their unlimited chessed, and in celebration of the one year anniversary of Yeshaya Shalom's transplant, the Blass family is helping to establish the **Rabbi's Discretionary Fund**. This Tzedaka fund will facilitate the Rav's and the shul's ability to help people with certain needs that are not otherwise met by existing community resources. The fund is officially set up as an independent fund within the Kuppah Shel Tzedaka organization, as Fund #613.

Anyone who wishes to participate in this Tzedaka opportunity, now and on an ongoing basis, can do so directly via the Rav, the Blasses, or the shul office. Checks can be made out to Kuppah Shel Tzedaka, Fund #613. Tizku L'Mitzvos!

**Welcome To BTYA**

Welcome to **Tzvi and Miriam Goldman** and their children Shlomo (4 years old), Avi (3 years old), and Batya (9 months old).

The Goldmans moved to RBS from Kiryat Shmuel this past summer, having moved to Israel from Passaic, NJ in 2009. Tzvi is finishing a Master's degree in Biomedical Engineering, having worked previously in the financial industry in NYC. Miriam worked as a computer programmer before "retiring" to take care of the children.

The Goldmans live at 14/2 Sderot Nehar Hayarkon and can be reached at 072-234-9328 (Home), tzvimail@gmail.com (Tzvi), or miriamgoldman@yahoo.com (Miriam). Please let Tzvi know if you have any contacts at companies involved in image or signal processing.

**We are so glad to have you as part of our kehillah!**

**Waiting For The Geulah**

We are thrilled to announce another new and exciting learning opportunity:

We say "achakeh lo," and there's so much going on that seems to be pointing in that direction, but are we really waiting??

We are privileged to have R' Yehoshua Samowitz\*, a new oleh and member of our kehilla, deliver a weekly shiur on this topic, guided by the sefer "Uva L'tziyon Goel".

Rav Mattisyahu Solomon, sh'lita (the mashgiach ruchani of Beis Medrash Govoha in Lakewood), advises people to learn this sefer and thereby increase their awareness and reality of being metsapeh for the Geulah.

The goal of the sefer (and the shiur) is to provide chizuk, inspiration, information, growth, and hadrachah towards tzeftiyah liyeshuah in these times of chevlay mashiach.

Rav Malinowitz: "It is really unfortunately a neglected area, and it is after all the fourth question they ask you in the only Court that counts."

The shiur will start THIS Tuesday, November 29, and IY"H continue every Tuesday night.

TIME: 9:30-10:15 PM (followed by maariv at 10:15)

Location: BTYA Beis Medrash

\*About R' Samowitz:

R' Samowitz learned in Yeshiva in N.Y., then in Mir Israel. After getting married, he learned in Kollel, taught post high school boys, and volunteered with teens at risk. He then moved to Israel in 2003 and attended Ohr Lagolah Kiruv Training/Semichah program (learned/mentored post high school teens at risk in Keshet). Then, after one year in Kollel in New Haven CT, he moved to San Diego CA, where he gave many shiurim to the community, and was the Outreach Director at SDSU, reaching out to our unaffiliated brothers and sisters, hopefully bringing them tachas kanfei hashchina, for 4 years. R' Samowitz then made Aliyah and joined our kehilla this summer.
