**Rav Away**

Rav Malinowitz is away in the USA until Monday, and therefore the Rav and Rebbetzin are not with us for Shabbos. During this time, all the Rav's shiurim are canceled.

The Rav's phone number in the USA is 347-409-2387. The Rav will have sporadic e-mail access, at best.

**Welcome Back to Yeshiva!**

Moraiy Verabosai, and Ladies of BTYA:

Starting Sunday, parshas Toldos, November 20, the shul is inaugurating a new learning program which takes us all to 'the next level'. It will be organized and run by Rabbi Avrohom Jacobowitz, whom we have all gotten to know over the last few weeks and months.

We are starting with a seder that is once a week, on Sunday (no American work-hours) night, from 9 PM to the 10:15 PM Ma'ariv.

The idea of this program is to have a chaburah learning, each person from the Shul matched with an older avreich to be his chevrusah.

The group will be guided by Rav Jacobowitz, who will be there, learning and answering questions, and who will also speak to the group for about 10 minutes at the end of the seder (10 PM).

The learning will be focused - we are starting with the sugya of Chanukah in massechess Shabbos, 3 blatt, hoping to do an amud a week. Marei mekomos will be provided for those who want to go more in depth, hoping to finish by Chanukah.

Once a week, an hour, a chavrusah to guide you one-on-one, Rabbi Jacobowitz as your over-all teacher.....

Sign-up is on the bimah—space is limited, but if there's a demand and a will, there will iyh be a way.

Yes, you can join in with your own chavrusah.....

Be a part of this! An opportunity not often coming along. RCZM

PS Why are the Ladies being addressed? Clearly so that they should urge their husbands to join in!

**Torah Web Hosting**

A groyse yasher koach to Jonny Rodin who has hosted the shiurim.btya.org website for the past several years, hosting thousands of hours of BTYA Torah during that time.

Jonny should have much hatzlacha and bracha with the zechus he has compounded.

**Welcome To BTYA**

Baruch Hashem, there are many new faces around the shul. In the men's and ladies' sections, there are people who recently made aliyah, moved from a different part of the country, or just started coming to our shul. Little do we know how much we have in common and how wonderful a bond we can build with each other.

But sometimes it is hard to find time or maybe some are more shy than others. So, to help a little, we would like to welcome the newcomers and "introduce" them to the shul. Be sure to get to know everyone better - we're just starting you off! With that introduction, we would like to welcome (this is an exciting way to start)...

**Reuven and Abby Cohen**, and their sons Binyamin (5 years old), Yaakov (1 yr old), and their brand new baby daughter who won't be named until after we go to print, **בועז**! The Cohens moved to RBS from Monsey, NY this past summer.

Reuven worked for the last 7 years as a pension actuary and has been active in Kiruv for the last 12 years, and Chinuch for the last 6 Years. Abby is a NY-State licensed cosmetologist, specializing in Hairstyling, having completed her training at Capri Cosmetology.

The Cohens live on Refaim 24/6 and can be reached at 02-650-2697 (Home) or rcohen19@gmail (Reuven) / abbywink@gmail.com (Abby).

**Welcome! We are so glad to have you as part of our kehillah!**

**Tefillah Torah**

Moraiy Moraiy VeRabossaiy and Ladies of Beis Tefillah:

Remember Shabbos Tefillah, way back when? Rav Nissel, Sh'lita? The unbelievable Motzaei Shabbos gathering? We all felt uplifted and inspired..and at the same time determined to not let that inspiration fade away and become a mere memory.

[At this point, I wish to thank those who sent in their notes of what Rav Nissel said during his derashos...there was every intention to go through them, and reproduce through them the beautiful lessons we had hopefully absorbed. It did not happen, for which I take responsibility, but can do no more than apologize. If anyone (man OR woman) would still at this point in time step forward and redo the various notes into a unified concise restatement of what was said-kol hakovod, and please contact me.]

How? The very first talk, after Kabbalas Shabbos, was that one has to make a limud, a study, of Tefillah in order to get from it and give to it what we would like, and what speaks to us.

The decision was made to have an ongoing Shiur in tefillah, that would combine Halachah, inspiration, all-important peirush Tefillah, and practical tips.

BH, with much siyata dishmayya, we have succeeded in arranging just such a shiur!

Rabbi Yehonason Alpren, sh'lita will be giving this shiur, at BTYA, iyh every Motzaei Shabbos, at 8:30 pm, for about one hour.

Here is your chance!

No, it's not an easy night. No, it's not an easy time. No, it is not easy to get out.

BUT if you can make it, the reward is right there, in your face...enhanced Tefillos. What a gift!

Try to keep that inspiration coming!

There will be publicity before each shiur stating the topic to be discussed that coming Motzaei Shabbos. Light refreshments will be served.

For men and women, with mechitza.

**Ladies' Chovos**

There will be NO Ladies' Chovos HaLevavos Sunday night shiur this week.
