Inspiring Erev Rosh Hashana at Me'aras Hamachpela

Our trip to Me'aras Hamachpela on Erev Rosh Hashana was one of the most emotional and uplifting experiences of my life.

I too often forget what it means to have the zechus of living in Eretz Yisrael, but not that day. When you learn about the special minhag of davening by kivrei avos on Erev Rosh Hashana, and then you drive 45 minutes and live that minhag in the most intense and true way by davening by the kevarim of our Avos and Imahos – the source of tefila – you are overcome with hakaras hatov to Hashem for giving you such a zechus!

There was no better way to go into Rosh Hashana.

From, One of the privileged to attend.

Fall Back

This Motzei Shabbos we "change the clocks" off of Daylight Savings Time. 2 AM becomes 1 AM.

Plan accordingly.

Aseres Yemei Teshuva Selichos

During Aseres Yemei Teshuva, until Erev Yom Kippur (non-inclusive), selichos will start 35 minutes before each Shacharis minyan.

In addition, there will be a 12:30 AM minyan for Selichos, which will switch to 11:30 PM after the aforementioned clock change.

On Erev Yom Kippur, Selichos will begin 15 minutes before each Shacharis minyan. And, while we are on the topic, the day AFTER Yom Kippur, all Shacharis minyanim start 5 minutes earlier—מנהג ישראל.

Vasikin Yom Kippur?

Do you want the zechus of making a vasikin minyan in the shul on Yom Kippur?

If you plan on davening vasikin anyway, or if you would consider giving up about 2 hours of sleep in order to daven to Hashem at the ideal time on the holiest day of the year, please contact Tzvi Gherman at tgherman@swalegal.com or 052-768-0638.

We can do this!

Yeshivas Bein Hazemanim

Once again, the Shul's participation in Yeshivas Bein Hazemanim is in question.

Your generosity has covered all our past chovos, and one person, in particular, was basically responsible for keeping us in the summer 5772 loop.

I am told that hopefully the whole system will be changed, and YBHZ will have its own fund-raising apparatus.

That is in the future, though.

I have to make a decision for Sukkos 5773...

Our "share" would be in the area of 8000 shekel. I am NOT going to the Torah Programming budget for this.

I am hoping for one, 2, 3 or 4 people to whom this "speaks"... it is after all indeed hundreds of hours of תורה לימוד for these boys.

I am NOT "raising funds" for this incrementally. I simply cannot.

I can handle the one to four people who might pop up.

Or perhaps someone who cannot be an עושה (do-er) will offer to be a מעשה (enabler) and raise the necessary funds on behalf of the Shul.

I feel it is something that the Shul should participate in, though I would not call it essential or vital.

I WOULD call it very important and needed for the kids who participate, and for the neighborhood in general. I think, in fact, it should be expanded to include even older bachurim and married yungeleit.

If you wish to participate, please contact me by phone or e-mail.

Yeyasher ko'ach and Gemar chasimah tova.
