A Mixed Blessing

ה"ב, the response to the הכרת הטוב journal was overwhelming!

People sent in wishes from several continents, and from so many different relationships and histories with the Rav and Rebbitzin.

That said, this great response caught us off guard, and we were not able to complete the final version in time for the מלווה מלכה.

We will bring a few copies, so you can enjoy the moment, and then we will send out a PDF to all members and participants.

יישר כחכם!
