**Rabbi...Who Would Have Ever Thought?!?**

If you are working (yes, even a full-time job), and wish there was a way you could get s'micha, then Pirchei Shoshanim is for you!

Pirchei Shoshanim is an established, highly successful, s'micha learning program for professionals.

With 10 years of experience (<http://www.shulchanaruch.com>), Pirchei Shoshanim has developed and refined this program so that you can come learn at nights, and after a very reasonable amount of time, be fully prepared for the s'micha test.

Join musmachim from just about every BS/RBS neighborhood, and several BTYA members who love the program!

The program includes material delivered online, Q&A with the magid shiur, and written exams.

All Beit Shemesh and Ramat Beit Shemesh men are welcome and encouraged to join.

**We invite you to come to an INTRODUCTORY MEETING for an explanation, Q&A, and registration:**

Date: THIS Sunday, March 3

Time: 8:30 PM

Location: BTYA

The program starts immediately after Pesach, but don't miss this meeting to determine whether it's for you.

**Rav's Shiurim Schedule Updates**

There will be no more WEDNESDAY ladies חובות הלבבות shiurim till Wednesday 30 NISSAN, 10 April.

The ladies' חובות הלבבות shiur will take place this Sunday, It will be the last one before Pesach, and then it will resume Sunday 27 Nissan, 10 April.

None of the other Rav's shiurim will be meeting until after Pesach, though the Rav will be א"ה in and out of the Shul (even during the week) up until Pesach.

**חסכת עירובין Starting**

Rabbi Nussbaum's gemorah chabura is starting Eiruv in **this Sunday Morning**. This is a FANTASTIC shiur!

The highlights:

- The מגיד שיעור, Rabbi Nussbaum, has been a rebbi for 30 years and shares personal stories and anecdotes to bring out points he is making. Very entertaining + a warm group of people
- Built-in Chazara. We go over every gemora 4 times, twice by Rabbi Nussbaum and twice in chavrusa time that is built into the shiur.
- We finish about 1 דף a week, and go over every רש"י and a few of the תוספות that are pertinent to the sugya. This is an intermediate shiur in terms of level and we focus on vocabulary and structure, as well as basic פשט.
- We start at 6:00 AM, and go until the 7am minyan, so you get a solid hour of learning before the day starts!!

And, it's highly recommended by Rav Malinowitz!

There is room to join!! For more info, speak to Moshe Lichtenstein, Jonathon Sassen, Zev Roth, or Rabbi Yechiel Nussbaum.
