Nedavim

The BTYA board, on behalf of the entire membership, has pledged a *nedava* to Torah Programming, on the occasion of **Yisrael Meir Malinowitz's Bar Mitzva**, and in appreciation to the **Rav**, the **Rebbitzin**, and the whole Malinowitz family for their 24x7 contribution to our Kehilla.

Message from (Rabbi) Yoni Mermelstein

To All Members of BTYA:

I have been the official Rosh Kollel of the BTYA Kollel for 4 years now. This is coming to an end now, and the nature of the Kollel is changing as well. I would like to take this opportunity to thank you all for so generously supporting this endeavor. I especially appreciate your *loyalty* to the Kollel, taking *acharayus* that the budget be met every single month. And thank you also to the special individuals who made it happen. I want to thank my *shver*, the Rav, for the vision and actualization of the Kollel, and the day-to-day leadership.

It is hard to describe how much we all enjoyed the *avirah* of the Shul's Beis Medrash—warmth, energy, and determination. We were absolutely inspired by the *ba'alei battim* who give of their day to learn, and to grow in learning.

The Shul's Kollel is now changing its format to a daf-yomi-Kollel, with an emphasis on *Halacha lema'aseh* of the daf. Rav Moshe Goldstein will head this Kollel (and he will also be continuing his daily shiur at 9am).

May HaShem bless BTYA, and bless its members with continued hatzlacha, in learning, and in all their undertakings.

Thank you, thank you.

Yoni Mermelstein
