Creation and the Universe

This Sunday night, BTYA is pleased to host a lecture by renowned scientist **Nathan Aviezer** on the topic of **Creation and the Universe**.

Perfect timing for the complex parshiyos of B'reishis and Noach, Professor Nathan Aviezer will present on how the Torah's description of events are corroborated by science. Bring your questions, and get answers!

Where: Ulam Shabsai

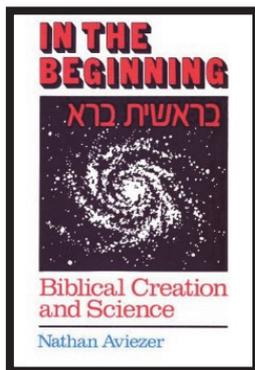

When: **This Sunday night**, Oct 20th at 8:30pm

Cost: 15 NIS per person for BTYA members, 25 NIS per person for non-members

This lecture (in English) is open to men and women (with mechitzah).

Professor Aviezer is a Professor of Physics and former Chairman of the Physics Department of Bar-Ilan University. Aviezer is the author of more than 140 scientific articles on solid-state physics. In recognition of his important research contributions, he was honored by being elected as a Fellow of the American Physical Society and a Research Professor of the Royal Society of London.

In addition to his scientific research, Aviezer has a long-standing interest in the relationship between Torah and science. He is the author of two books: *In the Beginning* (translated into nine languages) and *Fossils and Faith* (translated into four languages). Aviezer teaches a course at Bar-Ilan University on "Torah and Science," which was awarded the prestigious Templeton Prize.

Are YOU Ready to Take Charge?

On behalf of the Shul, Rav Malinowitz is looking for someone to be in charge of *pirsomes* for the Torah programming in the Shul. This does NOT include any fundraising; this does NOT include paying bills.

It includes mapping out an appropriate game plan for each shiur, class, program, that it is decided to do *pirsomes* about.

Included in this, but not limited to, might be:

- posting to the Shul lists
- posting to the various email lists
- fliers in Shul
- posters and fliers in the street and in other Shuls
- print ads
- AND-implementing that game plan.

Talking to Aryeh Sonnenberg and/or the Rav the first few times will give you a good idea of what's what. Future consultations will always be made possible)

A support team (writers, editors, flier-and-poster-put-outers; pickup from printers; and *aytza-givers* galore) is already available, though we could use more volunteers for anything that the support team does (except *aytza-givers*).

Please contact the Rav for participation in this major *zechus*. גדול המעשה יותר מן העושה. Either as the person (can be a woman!!) doing the *pirsomes*, or as a writer or designer. Almost all the 'work' can be done from home.

Shulchan Aruch Shiur

Join this shiur now, as it starts Yoreh Deah 2, its last *cheilek* to complete the Shulchan Aruch. The topics of discussion in this *cheilek* will focus on non-Jews, and how to deal with them. The shiur meets weeknights from 9pm to 10pm, and Shabbos afternoon 1 hour before Mincha. **All are welcome to attend.**

Yerushalmi Shiur

Friday nights at 9:30pm with hot Chulent and Kugel. The shiur will be beginning the 3rd perek of Shiviis with the hopes of finishing the Mesechta in time for shemittah, so this is a very good time to begin. The shiur will also prepare for shemittah as it is *Halacha Lemaasaeh*.

Paying Is Easy!

In under two minutes, you can make a credit card donation with an Israeli or US credit card online.

Go to <http://btya.org/payment/> or click on the Donations link from the main web page, www.btya.org.

Does Your Son Want To Lein?

The BTYA Vasikin Minyon is looking for someone to lein every other week on Shabbos. Perhaps your son would like to re-**lein** his bar mitzvah parsha? Or maybe try something new in a relaxed atmosphere in front of about 25 men (and not in front of 200+ men and women)? There are several openings starting with Sefer **Shemos**. If your son (or even **you**) would like to lein the Torah and Haftara, then please be in touch with Lev Seltzer at lev@btya.org. The schedule is online at www.btya.org/?p=2873.
