TAMID BESIMCHA

Be one of the first to join a new chabura that just started, Tamid...BeSimcha.

The goal of the chabura is to master Masechess Tamid (less than 10 daf), to enable you to make it into THE masechta that you learn 101 times and bring with you to Shomayim!

IY"H, your success here will spill over into the rest of your learning, and into other areas of your growth.

Masechess Tamid describes a day in the life of a Kohen via the bringing of the Korban Tamid. Learn many aspects of Kodashim and many other fascinating sugyos, too!

Monday and Wednesday nights from 9:05-9:35, in the Beis Medrash.

Lighting Up the Beis Medrash

In a massive, pre-Ellul effort, we were able to replace all the lights in the high ceiling of our Beis Medrash.

Many thanks to those who did the work, and those who enabled it to get done (and apologies for those who were inconvenienced).

Special thanks to Shlomi, of "Kir Acheir" who lent, set up, and took down the scaffolding, at absolutely no cost (and with very appropriate respect for the tefillos taking place).

Also to Baruch Tenenbaum for getting the game started, and all those who stacked, pushed, dragged and otherwise maneuvered during the work.

The Neir LaMaor z'chus is:
לעילוי נשמת ר' נחמן בן ר' אשר הכהן

A new year is upon us
We want it to be sweet
What better way
Than getting together to greet
The new gals in town
(and also the old)
To say hi and rejuvenate
With treats that are cold
Friends are healthy and sweet
a drink can be as well
Lets put them together
for a year that is swell
