Rav's Presence over the Chag

The Rav will be with us for the Simchas Beis Hashoeva and Simchas Torah, but not for the rest of Sukkos. If you want to visit the Rav in his sukkah in Jerusalem, please call first to make sure he is available.

Where's My Minyan??

Due to the extension of summertime, and the necessity for space for hoshanas, the minyanim have been moved around slightly. In general:

1. Vasikin minyan: Main Beis Medrash
 2. 7am minyan: Ulam Shabsai
 3. 8am minyan: Main Beis Medrash
- These locations are subject to change. See separate article for location of CHUTZ LA'ARETZ 2nd day Yom Tov minyanim.

Lifecycles

Rabbi Barak and Honey Saffer invite the entire kehilla to a kiddush in honor of the birth of their granddaughters. The kiddush will take place Shabbos Chol Hamoed Sukkos (9-Oct) at their sukkah 62 Nachal Dolev apt. 14.

Matt and Ilana Bornstein invite the Kehilla to a kiddush after davening Shabbos Parshas Bereishis (18-Oct) in honor of their daughter Ora Nechama.

**Avos uBanim**

No AUB first day of Sukkos. There will be AuB on Shabbos Chol Hamoed at 4:30 (1 hour before mincha).

An astute reader of the "AUB column" of the newsletter will have noticed that many recent shabbosos - including Shabbos Chol Hamoed - have been sponsored לע"נ צבי הירש בן יצחק ולע"נ שעה מאיר בן שמואל

This is because an anonymous benefactor has been very gracious to the Avos and Banim that participate in our program. We would like to thank this generous individual - without revealing his identity - and wish him and his family ברכה והצלחה, חג שמח וגמר חתימה טובה!

P.S. Please keep his shining example in mind as the "annual Simchas Torah AUB appeal" approaches.

Thank you and Tizku Lmitzvos!

Erev Yom Kippur Vasikin at Me'aras Hamachpela

Nearly 50 members of BTYA woke up well before sunrise and travelled to Hebron to say Selichos and Shacharis this past Friday at Me'aras Hamachpela.

The Sait and Sonnenberg families invite you to the

14th Annual Community Simchas Beis HaShoeva

"Simchas HaChag" through Divrei Torah and Shirah.

- When: FIRST night of Yom Tov, 10:00-11:15pm...well worth the walk, even on a full stomach
- Who: Men, women, children, relatives, GUESTS!
- Where: Sait's Sukkah, Nachal Luz 9/1

"A gathering of community Achdus not to be missed! Perhaps the best singing in the neighborhood..."

And of course, "Laysheiv Basukkah" material, too.

☞ This is NOT the BTYA Simchas Beis HaShoeva.

A NOTE FROM THE RAV on PUBLIC SUKKAS:

The Rav recommends bringing food which does not ordinarily demand a Succah...He hopes that this is an unnecessary precaution, but public Succas are notoriously unreliable. Also, the Mishna Berura cites a chumrah that *mamesh* a regular meal, just without bread or mezonos, might require a Succah (though no beracha should be said).

The Shabbos Project

Under the initiative and strong encouragement of the Rov:

Let's CHOOSE Achdus, even in times of peace!!! Let's tap in to some of the magic of Achdus that uplifted us this summer!! And let's use that Achdus to tap into the power of keeping Shabbos, together!!

If you haven't heard of the incredible Shabbos Project which took place last year in Johannesburg, please see www.soundcry.com/video/xhfe-MZcCjE/The-Shabbos-Project-2014-Official-Video, which describes how thousands of South African Jews celebrated Shabbos together for the first time.

This year the Shabbos Project will be worldwide with over 300 cities around the world participating, including in Eretz Yisrael. Please see the official video at www.theshabbosproject.org for a powerful description.

In the city of Bet Shemesh in particular, the Project will also be focused on unifying different strands of Jews within the city. Many shuls throughout BS/RBS are participating and some will be hosting communal shabbos events. There will also be a giant city-wide Challah Bake/ Hafrashas Challah program to kick off the Project on Thursday evening at Kanyon Naimi.

Following the initiative and strong encouragement of HaRov Malinowitz, BTYA will be "keeping it together" with Bet Shemesh and the rest of the worldwide Shabbos Project. It should hopefully IYH prove to be a very powerful achdus/spiritual experience!!

The Rov is encouraging every member of the kehilla to exercise ahavas Yisrael and invite someone different, whether religious - from a different hashkafic stream, or not yet religious, for Shabbos Parshas Noach. Each family will host their guests for meals and we will have special joint programming throughout Shabbos, as well as programming with other RBS shuls as well.

Here are ideas of people you may want to invite:

The cashier in the supermarket, the cab driver, store owner, nice lady at the bank, dati leumi neighbor, chassidishe neighbor, coworker, friends from the past who have taken different paths than you, the families of chayalim that we were involved with this summer from BS/ RBS, a chaya boded, some university students...

If you are interested in volunteering to help out with the organizing and implementing of this project, please email sharon.isaacson@gmail.com.

More details to follow soon....In the meantime, get excited to Keep it Together!
