

Message From The Rav

I asked the Shul-members why there was so little interest in going to Chevron for Shabbos. It was gratifying to have received so many answers!

The upshot was (The reasons you are about to read may or may not be justified. But that is not at all the point of this exercise.):

There is a desire to go to Chevron and daven there and be inspired there. To go for a Shabbos though, as reasonable as the cost is objectively, is really a budget-breaking expense for many people, especially at the end of the summer, and especially at the onset of the chagim of Tishrei, and the onset of school. Plus-people are trying to wind down from the summer and resume a normal schedule, especially for their children, and such a

Rosh HaShanah at Sunrise

Even if you don't daven at hanetz during the year, doing so on Rosh HaShanah might be a **really good idea**.

The poskim discuss that one should NOT sleep on Rosh HaShanah. Based on a process of elimination, it seems like this must be talking about **in the morning, before davening and Tekios** (because it's actually OK to sleep after).

BTYA's Vasikin minyan can help you accomplish this.

Join us, through amida of shacharis, then partake of a light Kiddush, and some learning with the Rav on a relevant topic until we rejoin the main minyan for chazzaras hashatz with the full tzibbur.

Schedule:

B'rachos 5:30am

HaMelech 6:15am

HaNetz 6:36:15 (day 1) and 6:37:00 (day 2)

Please contact Aryeh Sonnenberg or Ari Stern if you plan to attend.

If we do not have adequate expectations by erev RH, we will email you to announce that.

For your scheduling needs:

- 7:00 main minyan - B'rachos
- 7:40 main minyan - HaMelech
- 8:25 main minyan - Chazzoras HaSha"tz

Vasikin Minyon News

SELICHOS!

When is the best time to begin *shemoneh esrei*? At **sunrise**, of course.

When is the best time to say **selichos**? Just before that, in the wee hours just before dawn!

Join the BTYA Vasikin Minyon as we begin saying *selichos* for the 7th year. As in the past, we will be following the age-old minhag of saying the first *selichos* at midnight Motza'ei Shabbos, but beginning Monday morning we will have *selichos* 25 minutes before Shacharis. See the schedule on the last page of this newsletter, or download a full schedule for Elul and Tishrei from the BTYA website <http://www.btya.org/?cat=18>.

(Continued from page 1)

Shabbos would counter that.

And many people who would overlook these reasons, have went already, and, to a degree, feel that "been there, done that."

And there actually were a number of people who *gradeh* couldn't go last Shabbos.

It seems that what we should start doing is going on "day trips" to Chevron (and other places). As President Joel put it: "80% of the inspiration for 20% of the cost." This could include "just" davening there; or touring Chevron, too; or meeting the residents, who are amazing people, too.

And then the thought came: Why don't we—as a Shul—go to other places as well, on day trips, getting inspiration and meaning from places in Eretz Yisrael (and there are many)?

And so we turn to the Kehillah and ask for a volunteer or volunteers, to suggest places and work out logistics for such trips. You will be working on various aspects of that with the Rav, Aryeh Sonnenberg, and President Joel.

It is a zechus horabim, it is helping us fulfill our mission statement, and provides opportunities for the olom which would otherwise go begging.

Simchas Beis Hashoeiva Sponsorship

It seems from Chazal that the Simchas Beis Hashoeiva on Sukkos is the ultimate level of simcha that can be reached.

Wouldn't you like to have the zechus of being responsible for creating so much simcha in so many people?

We are looking for **sponsors** for the annual BTYA Simchas Beis Hashoeiva (as an aside, save the date of Motza'ei Shabbos Chol Hamoed). If you want a part of this great opportunity, be in touch with rafi.goldmeier@gmail.com

Setup

Erev Nitzavim (Sept 11): Yehuda Leib Joelson, Simcha Reiser, Naftali Rischall.

Erev Rosh HaShana (Sept 13): Ari Gruen, Noach Magedman, Jon Nicoll, Elad Munitz, Joel Padowitz, Chaim Pinchuck, Eliyahu Ross, Zev Roth, Shlomo Rubenstein, Rafael Sait.

During the week, selichos begin 25 minutes before the vasikin minyon, and 30 minutes before the other two minyonim. The full schedule is on the last page. Note that the 8:00 minyon will say selichos at 7:30am in the vasikin room and then move downstairs.

Volunteers and Toys Needed for RH Groups

IY"H we will be having babysitting for your little ones on Rosh Hashana. Please encourage your daughters to volunteer and help out with this tremendous mitzvah. We particularly need a core team of girls aged 12 and above to make things go smoothly.

What a zechus to start the year off right by helping the mothers come to shul and daven and keep the shul quiet by helping to babysit during davening.

We also need donations of games and toys. Do not give anything you want back and please make sure they are appropriate for Yom Tov play.

YOUTH MINYAN

**For Grades 7-12
Starting at 8:45
Every Shabbos Morning**

The Kiddush this week is sponsored by the **Schonberg** family as *Hakaras HaTov* to the *Ribono shel Olam* for all the good He gives all of us. In the Zechus of making a geshmack Kiddush for our youth minyan, may all our children have health, happiness and much *hatzlacha* this upcoming year!

The weekly Kiddush is one of the factors of the Youth Minyan's smashing success—that is why we try *really hard* to have a **full Kiddush** with a hot Cholent every week. **But we need more sponsors**, and it is getting harder and harder.

We would like to suggest that every family that has a child, or children attending the Minyan commit to sponsor at least one Kiddush for each child they have in the Minyan. As a further incentive, aside from keeping the Minyan vibrant, we offer the following....

- The son of the sponsoring family can choose which kibud he wants that Shabbos (Ba'al Tefilah, Aliyah, Dvar Torah, Haftorah and the

like).

- The father from the sponsoring family may attend the youth Minyan that Shabbos (normally adults are not allowed), and shep some *nachas* seeing his son in action.
- Share in the zechus of helping to ensure that 40-60 Bachurim have a place to daven Shabbos morning that is meaningful, inspiring and a place where they want to be (A number of parents have told us that they used to have to beg their sons to go to Shul and now their sons are *makpid* to get up—and go on their own!)

"The Youth Minyan has exceeded my expectations and I call upon everyone to support this worthwhile cause. Our children are our future and we need to invest in them."
