

Nedivim

The Weinblatt family has made a nedava to Beis Tefillah Yonah Avraham in honor of the Bar Mitzvah of Binyamin.

Shabbos Chaburah update

Thank you to all the men who made the inaugural chaburah a smashing success. There were over 50(!) people who came and enjoyed the kiddush and shiur on Parshas Reeh.

Because of the simchas in the shul the next 2 weeks the next Chaburah will be Parshas Ki Tavo By Rabbi Nir Kedar. Thank you to the many who already requested to give chaburahs and to the many who gave suggestions on how to improve the program.

The chaburahs will be about 20 minutes in length and the kiddush will be set up in a way that will allow more even distribution of the food.

Volunteers and Toys Needed for RH Groups

IY"H we will be having babysitting for your little ones on Rosh Hashana. Please encourage your daughters to volunteer and help out with this tremendous mitzvah. We particularly need a core team of girls aged 12 and above to make things go smoothly.

What a zechus to start the year off right by helping the mothers come to shul and daven and keep the shul quiet by helping

to babysit during davening.

Whoever wants to be part of this tremendous mitzvah, please call 054-493-1900 or email Aviva Michaels on avivamichaels613@gmail.com.

We also need donations of **games** and **toys**. Do not give anything you want back and please make sure they are appropriate for Yom Tov play.

Membership & Seating for Yomim Noraim

Have you been wandering around the Beis Medrash on Shabbos without a permanent seat? Tis is a perfect time to get your *Kavua* seats via Building Fund membership. Speak to **Benjamin Fishman** for more information.

Guidelines

Come join a fascinating new weekly halacha shiur for men given by

R' Yehoshua Kemeny

If you missed the first shiur (which was fantastic!!!), don't worry – each shiur is an individual topic that stands on its own. Join now – don't miss the boat!

R' Kemeny will prepare topics and present them, Guidelines style, and walk the chabura through the Mishna Brura, and ensure that the contemporary applications are clear. The focus in these shiurim will be on currently relevant and applicable halachos. Each shiur will be approximately 45 minutes, once-a-week (the exact day and time is flexible and will be determined during the shiur) and will include time for questions and interactive discussion.

**Continuing this Monday night,
September 12th, starting at 9:30pm**

Topics will generally be timely, so current topics will be Elul-related.
However, R' Kemeny is open to requests for any topic of interest.

Vasikin News
