## Nedivim

*The Tenenbaums have made a donation to the shul in honour of the bar mitzvah, and to thank the Rav and Rebbetzin for their wisdom and teaching, the teachers of shiurim in the shul for their wonderful shiurim, the women of the Kiddush committee for their kindness and teamwork in setting up the Kiddush, friends for their support in making this simcha, and the Ribono shel Olam for His kindness in reaching this milestone.*

## Minchas Chinuch = Michtav Mai'Eliyahu??

The Minchas Chinuch shiur has hit a snag in understanding a certain concept put forth by the Minchas Chinuch about a certain *mitzvahs* *assei*.

Rabbi Malinowitz thinks that the issue involves understanding the concept that the Michtav Mai'Eliyahu suggests in his *kuntras HaBechirah*—i.e, essay on free will and choice. The Rav is also in possession of a small sefer written by a certain *talmid chochom* in Monsey (a former chavrusah of the Rav's) written on the Michtav Mai'Eliyahu's thesis.

The Shiur will be learning this *inyan* starting Monday night, after the 8:15pm (note the new time) Maariv. It will probably take 3 or 4 nights.

You may wish to join us. We welcome you to do so. (It is in the first volume of the MM)
