

Where's My Minyan??

Due to the extension of summertime, and the necessity for space for *hoshanas*, the minyanim have been moved around slightly. In general:

1. Vasikin minyan: Main Beis Medrash
 2. 7am minyan: Ulam Shabsai
 3. 8am minyan: Main Beis Medrash
- These locations are subject to change.

See separate article for location of CHUTZ LA'ARETZ 2nd day Yom Tov minyanim on the back page.

Interim Board Announced

As was announced in a recent newsletter, Rabbi Joel Padowitz has stepped down as President of BTYA after three years of dedicated service. We thank Joel and his team for their years of outstanding service to the shul in this capacity.

Countless improvements to the shul were made during Joel's tenure. Some of the most notable achievements were: stabilizing the finances of the shul, installation of LED lights and solar panels, outsourcing the management of Ulam Shabsai, and our beautiful new bima.

Joel, along with a number of very dedicated members who gave and continue to give of their time, kochos and resources, worked hard for the tzibbur, and due to their work and the work of the Rav Sh'lita, we are now positioned in a very healthy place.

Dr. David Kallus has accepted the position of Interim President, and an interim board has been formed. The members of this board are **Dr. David Blass, Matt Bornstein, Tzvi Gherman, Moshe Lichtenstein, Aryeh Sonnenberg, and Dr. Ari Stern.**

Besides being responsible for the day-to-day operations in BTYA for the next 2 months, the interim board is primarily tasked with structuring and filling a new board by mid-Kislev.

The members of the interim board, together with new members of the permanent board will focus on strengthening the sense of Kehilla in the BTYA family. The initiation of the Shabbos Chevra Chaburah and the emphasis on exciting new programming led by **Rabbi Tully Bryks** are just samples of new initiatives designed to make the shul as warm, welcoming and geshmak as it can be.

We are asking you, our BTYA family members, to get involved, even in small ways. We are working to find the right people for the right jobs on the board and on

ALL-NIGHT LEARNING

Please join us in the sukkah or in the beis medrash on Leil Hoshana Raba.

This year HoShana Raba Falls' out on Motza'ei Shabbos. There is a big *inyan* to learn all night on Leil Hoshana Raba. Usually we have a strong showing of bochorim but the exhausted adults pack out before midnight. Well, with no *tiyulim* on Shabbos *yom menuchah*, this is your chance to learn until the dawns early light.

There will be food and some special Weismandal delicacies throughout the night.

Avos Ubanim at 9:30pm

Shul Setup

Vasikin News

The BTYA Vasikin Minyon will meet each day of Sukkos in the main Beis Medrash at about 6:40 in the morning. For the exact times, download the latest schedule for Tishrei, Cheshvan and Kislev from the BTYA website <http://www.btya.org/?cat=18>. (Note that on Shabbos Chol Hamoed we will meet in the Vasikin room and on Simchas Torah there will not be a Vasikin Minyon at BTYA. IY"H we will have a **Kiddush** in the BTYA Sukkah on both Sukkos and Shabbos Chol Hamoed.)

Going on a tiyul on Sukkos? The BTYA minyon is the best way to start your day and get on the road at the earliest possible time (you'll also benefit from davening at the optimum time in the morning).

Join us this Shabbos for a Kiddush sponsored by **Tzvi Goldman**. Shacharis begins at 6:05 and the famous Weismandl Cholent will be at about 8:00am.

A NOTE FROM THE RAV on PUBLIC SUKKAS:

The Rav recommends bringing food which does not ordinarily demand a Succah...He hopes that this is an unnecessary precaution, but public Succas are notoriously unreliable. Also, the Mishna Berura cites a chumrah that *mamesh* a regular meal, just without bread or mezonos, might require a Succah (though no beracha should be said).

The Sait and Sonnenberg families invite you to the

"Simchas HaChag" through Divrei Torah and Shirah.

- When: **FIRST** night of Yom Tov, 10:00-11:15pm...well worth the walk, even on a full stomach
- Who: Men, women, children, relatives, GUESTS!
- Where: Sait's Sukkah, Nachal Luz 9/1

"A gathering of community Achdus not to be missed! Perhaps the best singing in the neighborhood..."

And of course, "*Laysheiv Basukkah*" material, too.

As there is no BTYA Simchas Beis HaShoeva this year, this is your one opportunity to get together with the largest number of "BTYA" friends in one Sukkah.

Shabbos Chaburah

Please join the *chevra* for a small Kiddush in the *beis medrash* after the main Shacharis. The kiddush will be followed by a 20 minute chaburah by **Eli Gherman**. This week's topic is: **What to do on Sukkos if you find a bug in your mug or a bee in your tea...**

Join the Shabbos Chaburah on **Shabbos Chol Hamoed** with an **upgraded kiddush** in the Sukkah after davening. The Chaburah will be lead by **Mutti Frankel** in the memory of his grandfather **Baruch Mordechai ben Pinchas Yehudah z"l**. (Note that there will not be a *drosha* on **Shabbos Chol Hamoed**)

Decorate The Sukkah

Sunday morning after the 8 am *Shacharis* please come and help Dr Avi Factor and his merry men put up the shul's sukka. Teenager's are encouraged to join the fun Decorations are welcome too! The more that come the more we can finish it in an hour.

 committees that will be formed to allow for a more active and engaged membership.

There are so many gifted and talented members in our Kehilla. It is our belief that every member has the ability to contribute to the shul in meaningful ways. Our goal is to lay out the structure and environment in which those gifts and talents can be used for the benefit of the entire Kehilla.

We look forward to working together to make this ideal a reality.

Erev Yom Kippur Vasikin at Me'aras Hamachpela

50 of us had an amazing trip Erev Yom Kippur to the Maarat HaMachpela. We davened with *netz* just outside the Maarah, then slichos in Ohel Avraham veSarah. The women (about 10 came) stayed and davened, and the rest went to the mikvah of Avraham Avinu. Rabbi Simcha Hochbaum told stories, drashos, said pesukim, and kept us focused on the specialness of the trip. Logistically everything went smoothly and B"H and we arrived back to RBS just after 10:00am. Uplifting, memorable, and a very special way to prepare for *yom hadin*, with the *zechus* of our Avos and Imahos.

Thank you to Shlomo Rubinstein and Mrs. Leah Seltzer for the photographs from the trip.

Neillas HaChag

Men and boys are invited to the annual BTYA **Neillas Hachag** on Shemini Atzeres/Simchas Torah. It will take place in the *ezras noshim* starting at 5:45pm.

It is sponsored by the **Blass Family** *le'zechus* the cholim of the community שאר חולי ישראל.
