Shabbos Hagadol Derasha

On Shabbos morning, at the time of the usual *derashah*, the Rav will be elaborating on the *and* the give-and-take with them.

At 5 pm, the Rav will first explain (for about 30 minutes) the *issur* of leaving over from the Korbon Pesach overnight; and burning what *is* left over; and compare and contrast it to the *issur* (stated in *Parshas HaShavua*, *Parshas Tzav*) of leaving over from every *korbon* past its 'eating time', and burning *that*. And then compare and contrast both to the *issur* of having *chametz* on Pesach and getting rid of *that*.

The Rav will not be getting into it deeply enough for you to have to prepare the *mar'ei mekomos*, but the relevant ones are:

- המחלוקת ר' יהודה ורבנן וטעמם פסחים כז ע"ב וכו' ע"א
- הברייתא בשיטת ר' יהודה בדף יב' ע"ב עם רש"י ותוס' שם
- חינוך מצוה ח
- מצוה קמב' וקמג
- מח' רש"י ותוס' ד ע"ב בענין תשביתו
- ר' חיים הלוי על הרמב"ם הל' חו"מ פ"א ה"ג
- מנחת חינוך מצוה ט'

And after that, an in-depth study of the *b'ris bein habesarim*.

If there is time between KS and Maariv on Leil Shabbos, the Rav will continue *Aruch HaShulchan Ha'asid, Hilchos Korbon Pesach*.

BTYA Office Hours

The BTYA office is closing for Pesach. It will reopen on Thursday April 20. For urgent issues, write to office@btya.org or contact Larry Raff.

Don't forget, we've installed the credit card machine to make it easier for you! The machine accepts foreign cards, too (though you might want to help with the Hebrew ☺).

Moraiy veRabosaiy and Ladies of BTYA:

The following opportunity has presented itself.

The *klaf* of the *Navi Yeshaya* which the Shul owns, has never been paid for.

(It has—technically—but with borrowed money which has never been repaid.)

Its dedication and the *zechus* have now become available.

Yeshaya of course is by far the most *lained*-from *Navi* when we *lain* the *haftara*.

The dedication is available for **\$5,000.**

(This is the amount of the loan, and this price is quite inexpensive for a Yeshaya).

(The cost of the cover and the lettering on the cover will be separate.)

Be in touch with Rav Malinowitz.

Vasikin News

Need to get an early start on your Chol Hamoed trip? Come to the BTYA Vasikin Minyon. Each day starting about 6:00 and ending after 7:00. (You'll be davening at the *lechatchila* time, but you don't have to tell your kids that!)

Keeping The Flame Of Torah Burning Brightly!

The following days of learning were dedicated by Parnessei HaYom:

8 Nissan: Stengel Family

לע"נ אפרים אליהו בן יוסף

To dedicate the z'chus of a day of learning (400w), in honor, in memory, as a *refuah*, or for any other occasion, contact **Moshe Lichtenstein** at 052-952-7936 or mlichtenstein.mbl@gmail.com. The donations are used to perpetuate BTYA's Torah learning programs. Donations to **Parnessei HaYom** are listed on the board at the front of the shul, in addition to being listed in the newsletter.

ברכת האילנות

With the month of Nissan now upon us, don't forget to make the bracha on the new buds of fruit trees when you first see them. For your convenience, in case you have no idea where to find a budding fruit tree, we have compiled a couple local locations by BTYA member houses:

- **Spiegel:** Nachal Luz 9/3. 4 trees of which 2 are clearly budding. Just walk into driveway, they're in the front yard,
- **Gherman:** Nachal Tamar 6. Rimon, peach, pomelo and clementine trees in backyard. Just knock on door to gain entry.
- **Bisk:** Dolev 48/1 two lights down. The lemon and clementine tree are now in blossom Just walk straight into the garden and make a left (you don't have to ask at the door)
- **Kaufman:** 10/3 Nachal Luz. From the street, you can see both the orange tree with blossoms (next to the red geraniums), as well as the olive tree with it's blossoms. They may not last long, so come quickly!
- **Labinsky:** 22/2 Lachish. 3 trees in the backyard.

Hallel at Maariv

The general minhag in Eretz Yisrael is to say *Hallel Shaleim* with a *berachah* on the first night of Pesach in Shul, *b'rov ahm*.

It is an exalted time. Yet the urge to sing and praise HaShem slowly and deliberately **MUST** be balanced against Chazal's insistence that we do not delay **at all** the seder of the night, so as to maximize engaging the whole family (and oneself) in the mitzvahs of the evening, and their full meaning and import.

Hallel During the Seder

Tur writes: Finish Hallel, say that last *berachah* (*yehalleluchah*) **up until** the *baruch atta* at the end; then say *hallel hagadol* (26 ki l'olom...) and then *nishmas*, say *yshtabach*, but conclude *yshtabach* (after *may'atta v'ad olom*) with *Baruch atta...melech mehullal batishbachos*.

The **Levush** says: No, conclude *yshtabach* as one normally does.

The **Beis Yosef** indeed asks on the Tur-why not conclude *yshtabach* in the normal way? Beis Yosef suggests: Finish Hallel; do NOT say *yehalleluchah*; then say *Hallel hagadol*, *nishmas*, and *yshtabach up until* its concluding *berachah* (until you say *may'atta v'ad olom*); then say *yehalleluchah* and conclude *melech mehullal batishbachos*.

And so he paskens in **Shulchan Aruch**.

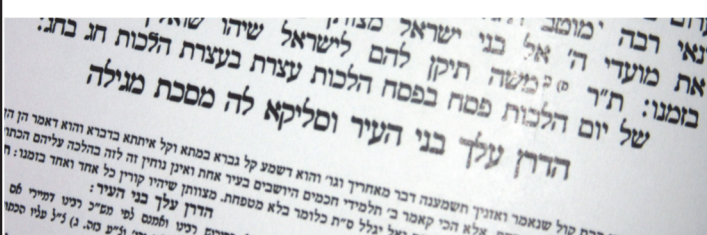

Aruch haShulchan says: That is what our minhag is

Pri MeGedaim says: do either like the Shulchan Aruch or the Tur, but certainly concluding with *melech mehullal batishbachos*.

Mishneh Berurah is not *machri'a*. (see Shaar Tziyun 480:5)

Good luck! and whatever you do, don't say the *berachah* twice or make BOTH *berachos*!

61st Consecutive Siyum

Besides the *siyum* for the Vasikin and 8:00 minyonim, Harold Golmeier invites all **bechorim** to a *siyum* in BTYA after the 7:00 minyon. Harold tells us that this is the 61st consecutive year that a Goldmeier is sponsoring the *siyum* for *bechorim*; this year the *siyum* is being made by the fourth generation *ben bechor* **Matis Goldmeier**, who is the grandson of Harold and Ethel.
