Presidents Corner

Thank you to all who were involved in making the shul **Melava Malka** a success. There was a nice turnout on both the men and women's side. The new board was presented and we celebrated 16 years of our Kehilla. As always, **R' Mordechai Bernstein**, our "Mr. Melava Malka", put together a great program. In addition **Dr. David Blass**, **Dr. Eliyahu Gherman**, **R' Matt Bornstein**, **R Moshe Lichtenstein** from the board and **Mrs. Shari Gherman** and **Mrs. Ilana Kedar** from the Nshei put in their *kochos* to ensure that the event ran smoothly. Thank you to the **Rav Shlita** and **R' Meir Arnold** for their inspiring *divrei Torah* that brought home the message of the potential *koach* latent in a *Tzibbur*. **Dr. Edo Lavi** as the MC entertained us while highlighting the great *Simcha* it is to be part of our *kehilla*. We appreciate **Mrs. Shelly Padowitz's** design of the invitation.

Mazal Tov to **HaChaver Aryeh Sonnenberg** upon obtaining the title "Chaver" for the work he does in serving our Kehilla and the broader community. The Rav Shlita and **R' Eliezer Brodt** researched the nature and history of the title "Chaver" in the Yekke community and concluded that Aryeh is a worthy candidate. **R Levi Blumenfeld** designed and produced the beautiful *klaf* that was presented by me on behalf of the Rav and the Kehilla to Aryeh.

Our caterer was **R' Zev Kaplan** and musical accompaniment was from **R' Eliyahu Stein**. Thank you to the many sponsors of the program and to all those who paid the optional entrance fee to help cover our costs.

BH the new board is now in place. As the new president of BTYA, I am excited to say that I will endeavor IYH to ensure that we as a board and committee will be working hard for you, our holy Kehilla, and we are here for you. We are still learning the ropes so whatever you can do to help us learn to serve you will be greatly appreciated.

There are many opportunities for the men to be more involved via joining a committee and for the women being involved through the Nshei. We can use all of our individual talents and gain the many *zchuyos* that those who serve the *Tzibbur* collect when they work with **Mesiras Nefesh L'shem Shamayim**.

Dovid Kallus, BTYA President
