Shabbos Project Feedback

Here is just a small sample of the incredible feedback we received from our guests after The Shabbos Project program at BTYA (more to be emailed, IY'H):

Elisheva Weldon: The Shabbos

Project was both inspiring and heart-warming to come together, not only as a community, but as a family to keep Shabbat and connect to Hashem as a whole. By sharing our thoughts and goals with one another, we were able to form a feeling of unity that brought about the true spirit of Shabbos.

Sarah Diamant: The Shabbos Project was really amazing. My favorite part was Havdalah, when we all danced together and sang. It made Shabbos more meaningful, and when we escorted the Shabbos queen, we also brought something really special with us in the weekday. It was so nice being together and just to be surrounded by Jewish people. The family's we were set up with were so welcoming and warm. This Shabbos really brought out how special and lucky we all are to be able to be in Israel.

Rachel Waldman: The Shabbos project gave me a chance to get involved in a new community and bond and grow. It was so nice meeting new people and spending time together as one nation

Sofy Tuachi: Words can't describe how I felt during this Shabbos Project! This Shabbaton gave me a whole new perspective and a different meaning of what Shabbat really is about.

Shira Siegel: The Shabbos project was an incredible experience that brought everyone together. It taught me more about the true meaning of Shabbos and why we keep it. I loved my host family, the food, the general feeling of tranquility, and the Friday night Oneg with Rabbi Bryks, where he inspired us to share a new Mitzvah that we would try to incorporate into our lives.

Ken: I really enjoyed the community and being in a new setting.

Jacob: I had a fantastic experience! Amazing food, good meals, and great dancing.

Dylan: I loved the energy, and stayed at my host lunch meal for 4 hours! And I got super into the dancing Saturday night.

Trevor: I loved the community and enjoyed the homemade meals!
